Able Assistant Teschera are employed in the Institution for the different departments.

The students have to attend regularly every Sabbath some place of worship, at the discretion of their parents. In the above plan, it will be perceived that the education may be at the choice of the parent, shaped either toward a complete preparation for a professional life, a commercial one, or some pursuit depending for success on applied science, mechanics, &c.

The labors and taste of the Director have led him to the formation of uncommonly good cabinets in the several sciences, which he proposes to illustrate by collections, specimens, paintings, &c.

The Winter Session in this Institution commences the 1st of November and terminates the last of March; the Summer Session commences the 1st of May and terminates the last of September.

Teams for Board, Lodging, Washing, Fuel, Lights, ink and Tuition, Modern Languages, Drawing and Music included, hree hundred dollars a year, payable semi-annually in advance. No extra charges.
